

I am concerned about the fact that you may potentially remove K-LOVE from the air by your actions. K-LOVE serves myself, my family and my community in a very positive way. It would be detrimental to our community if K-LOVE were to be displaced by an LPFM broadcaster providing other programing. K-LOVE is good for the public due to its extremely positive and upbeat programming, something very few radio stations can or care to create. Please leave this alone, the world is so negative, please keep this ONE positive influence for our familyu and community in tact. Thank you, respectfully, for your consideration.
